WORK HISTORY

Web Developer Intern, Meetanshi - Ecommerce Agency

Bhavnagar, India | May 2024 - July 2024

- Developed user interfaces with modern JavaScript frameworks, HTML5, and CSS3.
- Wrote custom HTML and JavaScript for existing websites.
- Attended development programs to gain competencies and boost skills set.

ACCOMPLISHMENTS

- Developed a web application that aims to address the problem of identifying individuals who are involved in accidents in unfamiliar locations and reach out their family by participating in university tech competition.
- Achieved 4th Rank at State level by participating in Coding competition which organized by Education Department of Gujarat.

INTERESTS

- As a solution-focused Web Developer intern, I've immersed myself in developing impactful web-based solutions aligned with company goals. Beyond work, I find fulfilment in volleyball and puzzle-solving, enhancing my teamwork and problem-solving skills. I also have a passion for global exploration, driven by curiosity about diverse cultures and landscapes worldwide.
